

## **Arrested Development Information**

**Helpful Hints to use when Attacking Arrested Development demons:**

**An excellent message done at HBC on Arrested Development with a testimony and part of the message in Booklet #42, Arrested Development pages 7 to 17 by Win Worley and also Warfare Prayers #4 pages 22 - 2nd last paragraph explains how Arrested Development works in different areas.**

**Arrested Development works on all 3 parts of the person: body, soul, and spirit.**

**Three strongmen work together under Arrested Development - Leviathan, Rejection, Alcoholic Syndrome.**

**Some rulers under Arrested Development - Dyslexia, Dysgraphic, Dyscalculia, Dyspurcia (learning disability), Hypertension problems (ADHD), Perception problems, etc.**

**Arrested Development has deep roots that feed other families of demons.**

**Childish self will and deception are 2 doorkeepers and possibly infirmities is another doorkeeper.**

**There may be 3 doorkeepers for the 3 strongmen on the 3 parts of the person - body, soul, and spirit. Each person may have different strongmen or doorkeepers, but these are major ones found so far. Thus there could be 3 three-fold cords to break in Jesus' Name.**

**Here are some relevent Scriptures explaining Arrested Development:**

**1 Corinthians 13:11 - grow up, mature, put away ungodly childish things.**

**Ephesians - 4:14 & 15 - Speaking the truth in love, grow up into**

**Christ in all things.**

**Hebrews 5:12 & 14 - Spiritual maturity,**

**1 Kings 3:9 - Ability to use senses to discern good and evil.**

**Hebrews 6:1 & 2 - Apt to teach (able to learn and teach others what was learned).**

**Colossians 1:28 - Perfect, mature**

**Galatians 4:19 Christ be formed in us.**

**Proverbs 3:11 & 12 - Chastening and correction of the Lord, Love of the Lord.**

**Hebrews 6:9 - Maturity with salvation, maturity since salvation.**

**As the imposter demons are cast out, Arrested Development needs to be attacked and cast out so the real part can grow up. As falseness spirits ( imposters) are cast out of the person or even just bound and stopped from working, then he/she needs to grow up in the real self to be the person God planned him/her to be from the beginning. Arrested Development can work in a range from slowing, hindering, blocking to stopping completely as if dead.**

**Arrested Development can affect any area in the soul, especially the mind and all its functions, the emotions - all of them, and will, heart, etc. to any degree, (except death).**

**Arrested Development can hinder the growth of the spirit, even though it is sealed by the Holy Spirit, to any degree until you feel as if dead.**

**As the Lord Jesus commanded Lazarus to come forth and he rose from the dead, we too in Jesus' Name can command any part of a believer to rise to full life and cast out Arrested Development and imposter spirits in Jesus' Name.**
