

### Prayer Against Jezebel

In Jesus' name, I cancel all vows, oaths, promises, dedications, (etc) that NAME, or family, or ancestors made to Jezebel in any cultural or religious ritual (etc). I confess all sins of allowing Jezebel to work in NAME, or any ancestors to rule, teach, or be in authority over a man in any way contrary to the role of women set up by God in the scriptures 1 Tim 2:12. I renounce & repent of NAME's sins, & I ask for forgiveness of these sins & cleansing of NAME & family in Jesus' name. I now close any doors that these sins opened in NAME to allow any evil to work in & through NAME, & I bind in Jesus' name any demons that work in NAME because of these sins. In Jesus' name, I now cancel any evil dedications made for NAME or descendants to do evil & I dedicate NAME's hands, feet, & brain to do God's Will & Work planned for NAME.

In Jesus' name, I bind for NAME all demons that would cause trouble in NAME's family, or between her & her husband (or father or pastor); & bind all demons whose job is to prevent NAME from hearing, doing, &/or understanding what is required of her in submitting to her husband (or future husband or pastor) according to the scriptures; & bind the demons whose job is to interfere with her obedience to God & her husband (or father or future husband or pastor).

In Jesus' name, I loose into NAME, family, & descendants, & in the heavenlies, the Godly spirits of Nehemiah, Elijah, Jehu, the Hounds of Heaven, & the horses of the Lord to attack & destroy all Ahab & Jezebel spirits, & to strengthen us to stand against the demons' attacks. In Jesus' name, I ask for civil war in Jezebel's camp & that the lower ranked demons attack & destroy the ruler demons & that none take their place as rulers as the eunuchs did to Jezebel when Jehu told them to in 2 Kings 9. May the horses of the Lord trample the ruler demons under foot as done in the scriptures to Jezebel, & may the hounds of heaven eat the demons up. In Jesus' name, I bind for NAME all the ungodly spirits of Sarah – doing God's will MY way because God can't do it, laughing at God's promises, lying to God; the evil spirits of Delilah & Potifers wife – seducing God's men; & bind the evil spirits of : Eve, Rebecca, Rachel, Leah, Vashti, Herodius, Lot's wife & daughters, Miriam, Marah, Mical, Athaliah, (etc) & the demons of False burdens, control, witchcraft, Radical Feminism, Women Ruling over Men, Roman Catholic Mary, (etc). There are some good lists in the booklet " Warfare Prayers" by Win Worley !

In Jesus' name, I loose into NAME, the Godly spirits of the Godly women in the Bible & their Godly gifts & attributes including: Sarah – who called her husband lord; Ruth – gave up idols & ungodly religion to follow the True God; the unfeigned faith of Lois & Eunice; Mary – all of the Godly ones; Peter's mother-in-law that ministered unto Jesus; Priscilla; Dorcas or Tabitha; Lydia; Abigail; Rahab; Joanna; Salome; Mary & Martha; Chloe; Deborah; Esther; Julia & Rufus' mother; Phoebe; Hannah; Jochebed; Rhoda; Susanna; Anna & Philip's daughters the Prophetesses; & all the Godly women that ministered to Jesus, Paul, the Apostles, & all the Godly Pastors & Leaders through the ages; & the godly virtues of the Virtuous woman in Prov 31. (etc)
