

Prayer Against Major Storms

As we learn more about how hurricanes work, Scripture & Godly spiritual warfare can be used to combat them in the heavenlies. Here are some prayer ideas Pastor T. John Franklin has been using against the hurricanes that can also be adapted for use against Tornadoes, Typhoons, Monsoons, straight line wind storms, etc:

In the Name of the Lord Jesus Christ, bind the strongman, prince of power of the air, & all the ruler weather demons for every religion, culture, & country for the wind & storms etc (Baal, Thor, etc) & all spirits of death & destruction etc....

In Jesus' Name, cut off all reinforcements from the Bermuda triangle, African witchcraft, voodoo, and from hoodoo and all occult done from inside the USA etc.

Ask God to break off in Jesus' name the power & strength & might of demons.

Ask for the whirlwind of the Lord to spin inside the storm countering its own spin.

Ask God to break down the wall of the eye.

Ask for the sheer winds to cut off the top of the storm thus cutting off its strength.

Ask it NOT get caught up in the jet stream which could take it across the USA.

Ask God to raise the barometer pressure in the hurricane storm & to equalize the barometer pressure in the storms trying to

form tornadoes and also to keep the different storm systems apart in Jesus' Name.

Ask God to cut off the weather manipulators.

Ask God to cool the water temperature to its proper temperature & to have God's angels stationed between the water & the storm in Jesus' Name so it gets NO energy. For tornadoes, ask God to station His angels on the ground keeping the tornadoes from touching down.

Ask God to pull the whole storm out to sea where it used to go so it does NOT cause much damage.

Ask for God's wall of fire to be stationed east of the Carribean so NO storms get thru to the Gulf, but go out to sea north where they used to go & not cause much damage.

Ask God to hold the waters to their appointed boundaries (the storm surge & the flooding rivers etc).

Ask God to protect His people, & their property & possessions.

Ask God to work in the hearts of as many as possible to bring them into true salvation with the Lord Jesus Christ.

May God's good & perfect will be done in Jesus' Name!

May God guide your prayers in Jesus' Name.
