

Mass Deliverance Intro Prayers - TJF

In this Mass Deliverance we are going to be working on demons affiliated with the related Topic of MD List.

In the Gospel of Mark, more than half the people our Lord healed was by casting out evil spirits or demons rather than just laying on of hands and pronouncing them healed.

We are following the orders of our Lord Jesus in Mark 16:17,18 following up on the authority in Luke 10:19 He has given us. We are going to be binding up the demons and casting them out just as our Lord Jesus did for the Gadarene demoniac and some others.

We only cast demons from born-again believers not unbelievers because unbelievers don't have God's Holy Spirit to help them. The best thing they need is to get saved. We will be going through a little prayer - General Confession and Renunciation prayer. Everybody who is not saved needs to get saved and today is the day of Salvation. We will be telling the demons to leave Believers quietly and peacefully and going to Tartarus. They are not going to be left around to cause trouble. There may be yawning and coughing, choking or gagging, etc. but these are just the demons leaving. Its the freedom Christ has provided for His people to be set free so that we can serve Him better.

We have our little prayer here and it is even good for Believers to do it too. You are not getting saved again because you can't loose your salvation. But you are letting God know that you mean business and you are letting the demons know that you want them out, now.

I am not going to pronounce anybody completely healed. We are not Faith healers. No, what we will do is we will just hit on the demons causing trouble (especially in the *** (Topic of MD) area) we'll kick them out in Jesus' Name. Hopefully this will help the people be in a better condition so that when they go back to their health professionals they'll get a better look at the situation without the demons there causing trouble.**

We will also break off legal ground such as curses, sins of the fathers, and other things that cause trouble and give legal ground for the demons. Unconfessed sin should also be dealt with too on a regular basis. Don't let that stuff build up because they are just open doors for the demons to get in.

General Confession Prayer

Lord Jesus Christ, I believe that You are the Son of God, the Messiah Who

came in the flesh to destroy the works of the devil. You died on the cross for my sins and rose again from the dead.

I now confess all my sins, iniquities, transgressions, trespasses, etc and I repent. I confess the sins of my fathers all the way back to the beginning on all sides of the family. I confess the sins of anyone or anything that I have been associated with knowingly or unknowingly, past or present. I also confess the sins of those who are in authority over me.

I also cancel and cut off any and all false professions of faith made to another religion, another god, another Jesus, another gospel and another spirit.

In the Name of Jesus Christ, and by His Blood, I thank You for my forgiveness and cleansing. I believe that Your Blood cleanses me now from all sin.

I renounce all consent given to the demons to stay and in Jesus' Name I cut off all ramifications.

Thank You for redeeming me, cleansing me, justifying me and sanctifying me in Your Blood.

In the Name and Blood of the Lord Jesus Christ, I bind the strongman, ruling spirits over, prince of the power of the air, and all the evil ones working through all of us partaking here. In the Name and Blood of the Lord Jesus Christ, I take authority over all evil ones in the third realm and bind them to my authority and loose obedience into them and I command them to be obedient.

I am only casting the demons out of born-again believers and when they leave they go straight to Tartarus. They are not to transfer, come back or cause any problem. They are not allowed to hurt anyone or anything, no, they go quietly to Tartarus. That's right. To the evil ones I say The Lord Jesus Christ rebuke you. You leave God's people. I am not kicking you out of unbelievers. You are not allowed to even manifest in unbelievers. Demons in unbelievers are to be quiet until the people get saved and then cast out in Deliverance.

I'm praying Heavenly Father in Jesus' Name, You take away all the demons power, strength, might, power from Satan, usurped authority continuously. Whatever they get for the ungodly sin, the false blood, bloodletting, Lord, anything else, just cancel it. Also, I'm praying Heavenly Father that any holes in our covering, any breeches in our defences we have, that they be repaired immediately. Any openings we have letting the devil's garbage get in, we just shut, lock and bar them right now using Revelation 3:7, the Key of David. I'm praying Lord you continually build up Your Godly spiritual check-valves for us at every contact point we have with everyone and everything. No more evil will be able to get through. Lord, we do need all the defences and protection that You have for us and we do Thank You for

them as well too.

In the Name and Blood of the Lord Jesus Christ, I cut off all ungodly relationships between the people and anyone or anything, living or dead, especially to false gods. I cut off any Godly ones used for evil. I cut off being under ungodly authorities. I cut off being involved in ungodly ceremonies especially in forms of idolatry. I cut off being sold to satan, being dedicated to the devil, either done directly or by anyone in the family line all the way back on all sides, by the ancestors. I cut off the stuff they have done on the descendants all the way down. This stuff is cut off and cancelled in Jesus' Name.

I'm praying Heavenly Father that You would pour out all Your instruments of burning death and destruction on all foul and evil spirits, everything written in the Bible. Yes Lord, 10 plagues of Egypt, 10 punishments in the wilderness, lightnings and thunder, hail mixed with fire and voices, the continual whirlwind of the Lord in great fury, Zachariah's devouring plague, etc.

We remember Lord that You said that if we cast out demons by the finger of God the kingdom of God is come upon us. We call upon God's Holy Spirit to work mightily now. Pummel these demons and drive them out immediately in Jesus' Name.

I'm asking Heavenly Father in Jesus' Name, You open Your heavenly armouries and pour out Your own slaughter weapons to destroy these demons. Lord let that which the demons fear come upon them. They fear being tormented before the time, let it happen. I'm praying Lord You'd also turn the demons' strength into thier ultimate weakness that leads to their downfall.

You evil ones get out of God's people now. The Lord Jesus Christ rebuke you.

I'm also praying Heavenly Father You take away all the demons' defences, break the gates of brass, bars on walls, towers, pillars, forts and the walls, bars in the castles. Let the earthquake of the Lord take down their walls like Jericho. Let burning brimstone come from heaven take them out like Sodom & Gomorah. I'm asking Lord that you would take away all the signs of power and authority the demons have from the crowns on their heads to the shoes on their feet. I ask Heavenly Father You take away all the demons armour and weapons, bust their arms and legs, set their feet in the mire, turn them into big sinkholes and take them live down into the pit. I'm praying Lord that You would bust up every demonic confederacy like You did before Jehosephat. Put Your civil war there Lord. Let the demonic hords destroy each other and throw each other out like what happened to Jezebel. I'm praying Lord that You'd vex these demons so much it would be like their hearts melt like wax.
