**ulnar collateral ligament injury of thumb, Ulnar nerve entrapment, unable to**

**communicate face to face, unable to stop change, uncomfortable computer users, uncomfortable eyes, underdevelopment of attention and memory span, undifferentiated gliomas, unpleasant feelings, upper arm disorders, Using technology dominates life, feelings and behaviour,**

**verbal abuse, vertigo & dizziness, video game over-use, video game-related health problem, Video games and obesity, villonodular synovitis, violate privacy, violence, violent actions, violent outbursts, violent computer games, Violent video games, Vision problems, visual acuity,**

**Wartenberg's syndrome, warts, washer woman's sprain, waster spirits, watery eyes, weakness of the pinch grasp, weakness, or numbness in extremities, Web addiction, Web fixations, Wee fracture, Wee-injury, wee-itis, well-differentiated gliomas, Withdrawal symptoms, Workrave, wrist pain,**

**X-boxitis, xerophthalmia, X-writs, yoga exercises, yoga of all types,**

**In the Name and Blood of the Lord Jesus Christ, I bind up each and every demon left, I individually chain, cage, bag and box them. I put them in caves with rocks over the caves with the Light of the Lord shining bright and the angels of the Lord reading Scriptures and praise the Lord continually. I cover us all with the Blood of Jesus. I call upon God's Holy Spirit to fill everybody full to overflowing and to keep chasing out the demons and to restore God's people. In Jesus' Name, I loose legions of the spirits of the Lord, life, health, healing, restoration, wellbeing, sound mind, and a good night's sleep.**

**We thank You Lord Jesus for everything You have done. We give You all the glory and honour, and blessings and praise. In Jesus' Mighty Name and by His Blood. Amen.**
