

List of Eye Afflictions Spirits for MD

Aberrations of the eye, Ablepharon, Absolute glaucoma, Acanthamoeba keratitis, Accommodative insufficiency, Achromatopsia, Actinic conjunctivitis, Acute and inflammation of lacrimal passages, Acute haemorrhagic conjunctivitis, Acute posterior multifocal placoid pigment epitheliopathy, Acute retinal necrosis, Acute or subacute dacryocystitis, Acute, subacute, & Chronic iridocyclitis, adhesions and disruptions of iris and ciliary body, affects of medicines, like diuretics, beta-blockers, antihistamines, sleeping pills, pain relievers, nerve meds, or alcohol, etc, on the eyes, Age-Related Macular Degeneration, Aging Eyes, Aging eye muscles, Akinetopsia, albinism, albino, alergic burning, itchy, or runny eyes, Allergic conjunctivitis, allergic rhinitis, allergy reaction to eyes, Alternating hyperphoria, Amaurosis, & fugax, Amblyopia, & ex anopsia, Amsler sign, Angioid streaks, Aniridia, Aniseikonia, Anisocoria, Anisometropia, Ankyloblepharon, Anomalies of pupillary function, Anomalies of pupillary diseases, Anophthalmia, Anopsia, Anterior ischemic optic neuropathy, Anterior segment mesenchymal dysgenesis, Anterior uveitis, anti- V E G F injections, anti-angiogenic therapy, Aphakia, Apperceptive agnosia, Arcus senilis, Argyll Robertson phenomenon, or pupil syphilitic, Arteritic anterior ischemic optic neuropathy, Associative visual agnosia, Asteroid hyalosis, Asthenopia, Astigmatism, atopic eczema, Atrophy of globe, Avastin, Axenfeld syndrome,

Background retinopathy and retinal vascular changes, Band keratopathy, Bardet-Biedl syndrome, Berlin's edema, Bevacizumab, Bietti's crystalline dystrophy, Binasal hemianopsia, Binocular dysphoria, Birdshot chorioretinopathy, Bitemporal hemianopsia, Bitot's spots, Black Eye, Blast-related ocular trauma, Blepharitis, Blepharochalasis, Blepharophimosis, blind spot, Blindness, impaired, and low vision, blocked drainage of eye liquid, blocked tearducts, bloodshot eyes, Blurred vision, blurry vision, Boehm syndrome, Boston's sign, Branch retinal artery occlusion, bright light sensitivity, Brown's sheath syndrome, Brown's syndrome, Bruns nystagmus, Brushfield spots, Bull's Eye Maculopathy, Bullous keratopathy, Buphtalmos,

burning, itchy, & inflamed eyes, Balint's syndrome,

Cataracts, Central or other retinal artery & vein occlusion, Central serous chorioretinopathy, Central serous retinopathy, central vision blurry, central vision patchy, Cerebral achromatopsia, Chalazion, Chalcosis, Changes in corneal membranes, Changes in lacrimal passages, Charles Bonnet syndrome, Chemical eye injury, Chemosis, Cherry eye, Chiasmal syndrome, Chloroquine retinopathy, Chorioretinal scars, Chorioretinitis, Choroidal degeneration, Choroidal detachment, Choroidal haemorrhage Choroidal rupture, Choroideremia, Choroiditis, Chronic dacryocystitis, Chronic inflammation of lacrimal passages, Chronic iridocyclitis, Chronic progressive external ophthalmoplegia, Ciliary body melanoma, Closed-eye hallucination, Coats' Disease, Cogan syndrome, Coloboma, Coloboma of optic nerve, colour blindness, Colour vision deficiencies, Compression of optic nerve, Computer vision syndrome, Concomitant strabismus, Cone dystrophy, Congenital cataract, Congenital endothelial dystrophy, Congenital fourth nerve palsy, Congenital lacrimal duct obstruction, Congenital malformations, Congenital deformations, Congenital disorders of eye, Congenital stromal corneal dystrophy, Conjugate gaze palsy, Conjunctival haemorrhages, Subconjunctival haemorrhages, Conjunctival concretion, Conjunctival degenerations, Conjunctival deposits, Conjunctival scars, Conjunctival suffusion, conjunctival vascular disorders, conjunctival vascular cysts, Conjunctivitis, Conjunctivochalasis, Contact Lenses, & related diseases, & infections, Convergence insufficiency, Convergence excess, Convergent concomitant strabismus, Corectopia, Cornea planas, Corneal abrasion, Corneal deformities, Corneal degeneration, Corneal deposits, Corneal Diseases, Corneal dystrophy, Corneal dystrophy of Bowman layer, Corneal dystrophy type 2, Corneal neovascularization, corneal oedema, Corneal perforation, Corneal pigmentations, Corneal scars, Corneal opacities, Corneal Ulcer, cross-eyed, cryopexy, Cryptophthalmos, Crystalline deposits in vitreous body, Cyclitis, Cycloplegia, Cyclotropia, Cyst of iris, Cyst of ciliary body, Cyst of anterior chamber, Cystic eyeball, Cytomegalovirus retinitis, Dacryoadenitis, Dacryocystitis, Dacryocystocele, dark circles, deep inflammation of eyelid, deep keratitis, Defective binocular vision,

Degenerated disorders of ciliary body, Degenerated disorders of globe, Degenerated disorders of iris, Degeneration of macula pole, Degeneration of posterior pole, degenerative disorders of eyelid, degenerative disorders of periocular area, Degenerative myopia, dermatitis, Dermatochalasis, Dermoid cyst, dermatoses of eyelid, Diabetic Eye Diseases, Diabetic retinopathy, diathermy, Dichromacy, dietary supplements, difficulty wearing contact lenses, Diffuse lamellar keratitis, Diffuse unilateral subacute neuroretinitis, Diktyoma, Diplopia, Diseases, & Disorders of eye, Disseminated chorioretinal inflammation, Disorders of adnexa, Dislocation of lens, Disorders of accommodation, disorders of binocular movement, disorders of vision, Disorders of conjunctiva, disorders of choroid, disorders of retina, disorders of cornea, disorders of globe, disorders of eyelid, disorders of iris, disorders of ciliary body, Disorders of lens, disorders of optic chiasm, disorders of lacrimal system, disorders of gland, Disorders of ocular muscles, disorders of binocular movement, disorders of accommodation disorders of refraction, Disorders of optic nerve, disorders of visual pathways, Disorders of optic tracts, disorders of geniculate nuclei, disorders of optic radiations, Disorders of orbit, disorders of sclera, disorders of refraction, disorders of accommodation, Disorders of visual cortex, disorders of vitreous body, Dissociated vertical deviation, Distichia, Distorted vision, Divergent concomitant strabismus, Double Vision, Drusen, Drusen of optic disc, Dry Eyes, dry Macular Degeneration, Duane syndrome,

Eales disease, Ectopia lentis, Ectropion, electrical stimulation, Endophthalmitis, Enophthalmia, Enophthalmos, Entomopia, Entropion, Epiblepharon, Epiphora, Epiphora medicine, Epiretinal membrane, Episcleritis, Epithelial basement membrane dystrophy, Esodeviation, Esophoria, Esotropia, Esotropia alternating monocular, excess tearing, exfoliation syndrome, Exophoria, Exophthalmic conditions, Exophthalmos, Exotropia, Exotropia alternating monocular, External ophthalmoplegia, Eye disease, Eye injury, Eye puncture, Eye cut, Eye intense heat, Eye chemical burn, Eye neoplasm, Eye proptosis, Eye Strain, Eye tumors, Eye pathology diseases, Eyeborg,

Familial exudative vitreoretinopathy, Far-sightedness, fibrous growth on

retina, Fixation disparity, Flashing Lights, Fleck corneal dystrophy, Fleischer ring, Flexner–Wintersteiner rosette, Floaters, Focal chorioretinal inflammation, Foster Kennedy syndrome, Fourth nerve palsy, Fourth trochlear nerve palsy from arthritis, Fourth trochlear nerve palsy from infection or injury, Fuchs dystrophy, Fuchs heterochromic iridocyclitis, Fuchs spot, Fungal keratitis,

Gangrene of eyelid, Gelatinous drop-like corneal dystrophy, Giant-cell arteritis, glares from light, Glaucoma from operations to eye, Glaucoma from laser surgery, Glaucoma from victronomy, Glaucoma in diseases, Glaucoma hereditary, Glaucoma from drugs, Glaucoma from eye trauma, Glaucoma from eye inflammation, Glaucoma from other eye disorders, Glaucoma suspect, Goniosynechia, Gonococcal infection of eye, gradual destruction of some of the light sensing cells in the retina, Granular corneal dystrophies, Graves' ophthalmopathy,

Haematoccornea, Haemophthalmos, Haemorrhage in cornea, Haemorrhage in eye, Haemorrhage of veins or arteries of or behind retina, etc, Haemorrhage in optic nerve sheath, hay fever burning or itchy eyes, Hemeralopia, Hereditary choroidal dystrophies, Hereditary corneal dystrophies, Hereditary retinal dystrophy, Hereditary eye afflictions, Herpes of the Eye, Herpesviral keratitis, Herpesviral kerato-conjunctivitis, Heterochromia iridis, Heterochromia iridum, Heterophoria, Hollenhorst's plaque, Homonymous hemianopsia, Hordeolum and other deep inflammation of eyelid, Horizontal gaze palsy, Horner's syndrome, Hydromyphthalma, Hypermetropia, hyperopia, Hyperphacosorbitomyopicosis, hypertension stress on veins & arteries of eye, Hypertensive retinopathy, Hypertropia, Hyphaema, Hypophoria, Hypopyon, Hypotelorism, Hypotony, Hypotropia,

Idiopathic intracranial hypertension, Idiopathic orbital inflammatory disease, Implantable collamer lens, Infantile esotropia, Infiltrative ophthalmopathy, Intermediate uveitis, Intermittent heterotropia, Internuclear ophthalmoplegia, Interstitial and deep keratitis, Intraocular hemorrhage, Intraocular lymphoma, Intraocular schwannoma, Intraocular pressure, Intraoperative floppy iris syndrome, Intraretinal microvascular abnormalities, Iridocorneal endothelial syndrome, Iridocyclitis, Iridodialysis, iridology,

Iridoplegia, Iris cyst, irisology, Iritis, irregular eye movements, irritation from contaminant, irritation from eyelash, irritation from allergy strings, irritation from smoke, irritation from wind, etc, ischaemic optic neuropathy, Ischemic optic neuropathy,

Kayser–Fleischer ring, Kearns–Sayre syndrome, Keratitis and keratoconjunctivitis in other infectious and parasitic diseases, Keratitis, Keratoconjunctivitis, & sicca, Keratoconus, Keratoglobus, Keratomalacia, Khodadoust line, Kjer's optic neuropathy, Krukenberg's spindle,

Lagophthalmos, laser photo-coagulation, laser surgery, laser therapy, Late congenital syphilitic oculopathy, Lattice corneal dystrophy, Lattice degeneration, Lazy Eye, lazy muscles of eyelid, Leber's congenital amaurosis, Leber's hereditary optic neuropathy, Lecithin cholesterol acyltransferase deficiency, legally blind, Lens-induced iridocyclitis, Leukocoria, Lid retraction, Ligneous conjunctivitis, Limbal nodule, Lisch epithelial corneal dystrophy, Loa loa filariasis, loss of periferal vision, loss of side vision, Low vision, Lucentis, Luxation of globe,

M S, & effects to eyes & optical nerve, Macropsia, Macular corneal dystrophy, Macular degeneration, wet & dry types, Macular edema, Macular hole, Macular hypoplasia, Macular telangiectasia, Maculopathy, Marcus Gunn phenomenon, Marcus Gunn pupil, Marshall syndrome, Mechanical strabismus, Meesmann juvenile epithelial corneal dystrophy, Megalocornea, Metamorphopsia, Microcoria, Micropsia, Microphthalmia, Microspherophakia, Microtropia, Miosis, Mirhosseini–Holmes–Walton syndrome, miss-aligned eyes, Monochromacy, Monofixation syndrome, Moore's lightning streaks, Multiple evanescent white dot syndrome, multiple sclerosis, Munson's sign, muscles of eye not focus properly, Mydriasis, Myopia,

Nasolacrimal duct obstruction, near-sightedness, Neonatal conjunctivitis, Neovascularization of iris, Neovascularization of ciliary body, neuromyelitis optica, Night blindness, Nocturnal lagophthalmos, Noninfectious dermatoses, Norrie disease, Nuclear sclerosis, nutritional optic neuropathy, Nyctalopia, Nystagmus,

Ocular albinism, Ocular hypertension, Ocular ischemic syndrome, Ocular

larva migrans, Ocular melanosis, Ocular myasthenia, Ocular neoplasia, Ocular neurosis, Ocular pain, Ocular rosacea, Oculo-motor apraxia, & nerve palsy, Oguchi disease, oligoelements, One and a half syndrome, Ophthalmoparesis, Optic atrophy, Optic Neuritis, Optic neuropathy, Optic papillitis, Optic disc drusen, Optic disc pallor, Optic disc pit, Optic nerve hypoplasia, Optic nerve tumor, Optic nerve sheath meningioma, Orbital cellulitis, Orbital lymphoma, Other disorders of globe, or optic disc, Other endophthalmitis, Other iridocyclitis, Other paralytic strabismus, Other retinal disorders, Other vitreous opacities, ozone therapy,

pale eye nerve, Palinopsia, Palsy of conjugate gaze, Panophthalmitis, Papilledema, Paralytic strabismus, Parinaud's syndrome, Pellucid marginal degeneration, Pelopsia, periferal vision only, Periorbital cellulitis, or dark circles, Persistent hyperplastic primary vitreous, Persistent pupillary membrane, Persistent tunica vasculosa lentis, Phantom eye syndrome, Phlyctenule, photodynamic therapy, Photokeratitis, Photophobia, Photopsia, Phthiriasis, Phthisis bulbi, Physiological anisocoria, Pigment dispersion syndrome, Pigmentosa, Pinguecula, Pink Eye, Pneumosinus dilatans, Polycoria, Posterior amorphous corneal dystrophy, Posterior polymorphous corneal dystrophy, Posterior cyclitis, Posterior ischemic optic neuropathy, Posterior vitreous detachment, Post-procedural disorders of eye and adnexa, Presbyopia, Presumed ocular histoplasmosis syndrome, Primary angle-closure glaucoma, Primary open-angle glaucoma, Progressive external ophthalmoplegia, Progressive outer retinal necrosis, Progressive retinal atrophy, Proliferative vitreoretinopathy, Prosopagnosia, Pseudoexfoliation syndrome, Pseudomyopia, Pseudopapilloedema, Pseudophakic photic phenomena, Pseudopterygium, Pseudostrabismus, Pterygium, Pterygium conjunctiva, Ptosis of eyelid, Punctate epithelial erosions, pupil syphilitic, Pupillary membranes, Purtscher's retinopathy, Purulent endophthalmitis, Quadrantanopia,

Raccoon eyes, Radiation retinopathy, Ranibizumab, Recurrent corneal erosion, Red eye, Redness of eye, Refractive error, Reis-Bucklers corneal dystrophy, Retained old intraocular foreign body, magnetic, or nonmagnetic, retina shrunken, retina puckered, retina scar tissue, Retinal degeneration

rhodopsin mutation, Retinal breaks, retinal cysts, retinal detachments, Retinal dysplasia, retinal haemorrhage, retinal holes, retinal tares, retinal vascular occlusions, Retinitis & Pigmentosa, Retinoblastoma, Retinochoroiditis, Retinopathy, Retinopathy of prematurity, Retinopathy diabetic, Retinopathy from meds, Retinoschisis, Retrobulbar neuritis, Roth's spot, Rubeosis iridis, Rubeosis of iris,

Schnyder crystalline corneal dystrophy, Scintillating scotoma, scleral buckle, Scleral reinforcement surgery, Scleritis and episcleritis diseases, Sclerocornea, Scotoma, scratchiness, scratching, Senile, non operative, or other type of cataract, Separation of retinal layers, Septo-optic dysplasia, shadowy vision, shrunken eye nerve, Siderosis of eye, Siegrist streaks, Sixth abducent nerve palsy, Sixth nerve palsy, Skew deviation, Snow blindness, Solar blindness, Solar retinopathy, Staehli's line, Staphyloma, Stargardt disease, Stenosis and insufficiency of lacrimal passages, Stickler syndrome, stinging eyes or burning eyes, Strabismus, Strabismus from adhesions, strings in eye from allergies, strings in eye from foreign bodies inside eyelid, stringy mucus around eyes, Sty, subacute iridocyclitis, Subconjunctival Hemorrhage, Subepithelial mucinous corneal dystrophy, Subjective visual disturbances, Sudden acquired retinal degeneration, sudden sight loss, superficial keratitis without conjunctivitis, Superior limbic keratoconjunctivitis, Superior oblique myokymia, Symblepharon, Sympathetic ophthalmia, Sympathetic uveitis, Synchysis scintillans, Synechia, Synechia of iris, systemic diseases with ocular manifestations,

tearducts blocked, tears production decreased, Teleopsia, Temporal pallor of optic disc, Tenonitis, Terson syndrome, thinning retina, Third oculomotor nerve palsy, Thygeson's superficial punctate keratopathy, Total external ophthalmoplegia, Toxic amblyopia, Toxic and nutritional optic neuropathy, Toxic anterior segment syndrome, Toxoplasmic chorioretinitis, Trachoma, Transient retinal artery occlusion, Traumatic limitation of duction of eye muscle, Trichiasis, Trochleitis, Tuberculosis of eye, tunnel vision, Turned Eyes,

Uveal melanoma, Uveitis, Uveoparotitis,

vascular disorders of iris and ciliary body, Vernal keratoconjunctivitis, Vertical strabismus, vitronomy, vitronomy induced glaucoma, Vision disorders, vision impaired, vision impairment, vision loss, Visual agnosia, Visual blindness, Visual disturbances, Visual impairments, Visual field defects, Visual field limitations, Visual field losses, Visual pathway glioma, Vitelliform macular dystrophy, vitrectomy, Vitreous absces, Vitreous hemorrhage, Vitreous prolapse, vitreous partially separated from retina, Vossius ring,

Wagner's disease, wall-eye, wavy vision, watery vision, weak blood vessels behind retina leak, Weill–Marchesani syndrome, wet Macular Degeneration, White dot syndromes,

X-linked congenital stationary night blindness, X-linked endothelial corneal dystrophy, Xanthelasma, Xanthelasma of eyelid, Xerophthalmia, Xerosis cutis,

Zonular cataract, Zonular nystagmus,

In the Name and Blood of the Lord Jesus Christ, I bind up each and every demon left, I individually chain, cage, bag and box them. I put them in caves with rocks over the caves with the Light of the Lord shining bright and the angels of the Lord reading Scriptures and praise the Lord continually. I cover us all with the Blood of Jesus. I call upon God's Holy Spirit to fill everybody full to overflowing and to keep chasing out the demons and to restore God's people. In Jesus' Name, I loose legions of the spirits of the Lord, life, health, healing, restoration, wellbeing, sound mind, and a good night's sleep.

We thank You Lord Jesus for everything You have done. We give You all the glory and honour, and blessings and praise. In Jesus' Mighty Name and by His Blood. Amen.

**Pastor T. John Franklin
Church of Salvation, Healing, and Deliverance
