

List of Autism Spirits for MD

22q13 deletion syndrome, ADD, ADHD,

Abed of Community, Abnormal synapses & dendritic spines, abnormal neuronal growth & pruning, abnormalities in peripheral nervous system, abnormalities in immune system, abnormalities in gastrointestinal system, abnormalities in energy production system, abnormalities of brain development - frontal lobe, mirror neuron system, limbic system, temporal lobe, & corpus callosum; Accidental Teacher Lessons Silent Son, acquired synaesthesia, Action for Autism, active but odd, Acupuncture, Adam in life sand, advanced parental age, adverse effects of medicines, affects brain info process, After Thomas, aggression, aggressive outbursts, aggressiveness, Alan & Richard in Dear John, alcoholic, alcoholism, Alder-wasley Hall School, alexithymia, Alfred of Salmon Fishing, Alternative medicine, Alternative therapies Alternative interventions, alternativecommunication methods, augmentative & alternative communication methods, Amanda of Change Habit, Ambitious about Autism, aminoaciduria, Amy, Amygdala neurons, Angelman syndrome, Animal-assisted therapy, Animals in Translation, Anna of Imagination, Annie of Rose Red, Anti-cure perspective, anticonvulsants, antidepressants, antipsychotics, anxiety disorders, applied behavior analysis & intervention, Arbaclofen, Aripiprazole, Aspergers syndrome, Aspergers Diagnostic Scale, Aspergirls Empowering, Aspies For Freedom, Athletes Against Autism, atypical antipsychotics, atypical autism, atypical language, auditory-visual synaesthesia, auditory perception deficits, auditory and/or written stimuli trigger colours, Autism Anglia, Autism Awareness Campaign, Autism Centre, Autism Committee, Autism Cymru, Autism Diagnostic Interview-Revised, & Observation Sckedule, Autism Directory, Autism Every Day, Autism Foundations, Autism films, Autism friendly, Autism Institutes, Autism Journals, Autism media, Autism MX Project & omnibus trial, Autism Musical, Autism Network, Autism Plus, Autism Quotient & Screening Questionnaire, Autism resources, Autism rights movement, Autism Speaks, Autism spectrum disorders, Autism Sunday, Autism therapies, Autism World,

Autism's False Prophets, Autistic art, Autistic Characters, Autistic culture, Autistic enterocolitis, Autistic Savvants, Autistic Self Advocacy Network, Autistic Societies, Autistic spectrum, autistic-like traits, Autistica, autoantibodies to brain, Autoimmune disease, Aversive therapy, avoiding eye contact, Awareness,

babbling, Baycroft School, Bea of Breaking & Entering, Beautiful Minds, Behavior modification & therapy, behaviorist principles of stimulus, response & reward imitation, Ben X, Best Kept Secret, Bipolar disorders, birth defects, Black Manta, Bob of ReGenesis, Body Awareness, body rocking, Borna disease virus, Bowel disease, brain damage, brain dysfunctions, brain enlargement, brain injury, brain reduction, brain neuron disorders - cross connections, cross wiring, Hyper-connectivity, or overwired; Breakout, Breckenbrough School, Bridging Ideas, broader autism phenotype, bully, bully-ed, bully-er, bullying, Burger School,

Caitlin in Mockingbird, Capital Education Group, Carl of Arthur, Carne, casein-free diet, casomorphine, catatonia, central coherence theory, Charles of Suzie, Charlie of Black Balloon, chelation therapy, Child Waiting, Childhood Asperger Syndrome Test, childhood autism, Rating Scale, & Spectrum Test; childhood disintegrative disorder, Children Stars, Chiropracty, Chloey of Lay Deeabla, Cho-won of Marathon, Chris of City Rats, Chris of My Autistic Brother, chromosome abnormalities, chromosome Deletion, chromosome duplication, chromosome inversion, chronic frustration, Chrysalis School, Circle of friends, citalopram, classic autism, classical Kanner-type autism & mitochondrial disease, clomipramine, clumsiness, clumsy, Cody of Bless Child, cognitive skills disorders, coloured hearing' synaesthesia, communication deficits, communication delays, communication interventions, communication Shutdown, comorbid psychiatric conditions, Compulsive behavior, Compulsiveness, Computer-assisted therapy, Computer genius, confussed, confusion, Congenital rubella syndrome, Connor of Degrassi, core deficits, Crake, Craniosacral therapy, Cube,

Dad's in Heaven with Nixon, Dafu of Ocean Heaven, Dana of Exodus Fall, Daniel of PS I Love You, Darryl in Wizard Alone, David & Gillain in Mass Effect & Overlord, David in Rules, David's Mother in Rules, deep institutional privation, deep-pressure therapy, deficits in action observation, deficits in

auditory perception, deficits in empathy, deficits in joint attention, deficits in receptive language, deficits in social cognition, deficits in visual-spatial perception, deficits in visual memory, delayed communication, delayed language, delayed learning, depressed, depressing, depression, destruction, destructive outbursts, destructive, detail-oriented obsessions, Developmental Adult Neurodiversity, Developmental coordination disorder, Developmental disability, Developmental disorders, Developmental Individual Differences Floortime, developmental synaesthesia, diabetes, diabetic mother, diarrhea, diesel exhaust, Dietary supplements, Diets, differences in axon guidance, disinhibition, & atypical borders; Differences in grey & white matter, & cortical connectivity; different-ness, difficult behaviors, difficult communication, difficult relationships, digestive bacteria for energy not fat, Dimethylglycine, Disability Challengers, discrete trial teaching methods, disorder of neural development, Disrupted synaptic development, disruptive behavior, Disturbed neuronal migration in early gestation, Doc Spencer of Criminal Minds, Donald & Isabelle of Mozart & Whale, dopamine blockers, dysmorphic features, dystonia,

E-S theory, Early behavioral interventions, Early cognitive interventions, Early speech interventions, early childhood trauma, Early Intensive Behavioral Intervention, early onset schizophrenia, early onset type 2 Diabetes, eating rituals, Eckolalia, Eden School, Educational interventions, electric shock, Electroconvulsive therapies, elimination diets, Eling, Empathizing–systemizing theory, envelopment techniques, epilepsy, epileptic seizures, equine assisted therapy, Eric of Boy Could Fly, ESPA College, Ethical challenges, Everybody's Different, Excessive hygiene hypothesis, excessive neural connections between regions, Exhall Grange School, explosive behavior, explosive emotions, explosiveness, extra clusters of connectivity, extra thick of some brain grey matter, extra-ordinary abilities, extrapyramidal symptoms, eye poking,

failed social encounters, family distress, family destruction, fatal hypermagnesemia, fetal alcohol syndrome, fetal testosterone theory, faulty axonal pruning, Fiddle Foundation, First Leap, flapping, biting, or twisting hands; flavonoids, Floortime, fluoxetine, fluvoxamine, focus on small details & not see big picture, Folk epidemiology, food refusal, forced eye contact,

Forrest Gump, fragile X syndrome, Freaks Geeks & Asperger Syndrome, frighten, frightened, frightening, frustrate, frustrated, frustrating, frustration, Furze Down School,

Gabrielle of Shortland, gang activity, gang family, gang membership, Gary of Alphas, gastrointestinal upset, Gateway Academy, gene mutations, Generation Rescue, Genetic disorders & heterogeneity, gestation duration, gestational diabetes, GetVidya, Gil of CSI, Gilliam Asperger's Disorder Scale, glutathione, Gluten allergy, Gluten-free diet, Gluten sensitivity, grapheme-colour synaesthesia, Gregory of Innocent, Gretton School,

Haley Moss, haloperidol, Hank in Half-Life Planets, Haridas, head banging, head rolling, hearing impaired, hearing underwater, heavy metal poisoning, Henry & Verlin, herbicides, heredity, herpes virus', high-functioning autism, Hikaru Azuma With Light - Raising Autistic Child, History of Asperger syndrome, History of autism, HollyRod Foundation, Horse Boy, hug machine, hyper-systemizing, hyperactive, hyperactivness, hyperactivity, Hyperbaric oxygen therapy, hypermagnesemia, hypoxia in childbirth,

Ian's Walk, illegal drugs, illicit drugs, impulsive, impulsiveness, impulsivity, inability to communicate - verbally or non-verbally, inability to hear, inability to learn, inability to read, inability to speak, inability to understand, inborn errors of metabolism, increased local connectivity, increased white matter connectivity, infantile autism, infectious diseases, insomnia, intellectual disability, irritable, irritability, Isodicentric 15, isolationist, Ivan in Triggers,

Jacob in House Rules, Jade in Fahrenheit, Jake in Touch, Jerry of Boston Legal, Jessica in Language of Others, Jhilmil of Barfi, JJ Jones of Skins, joint attention, Jonny Do of Psi-Force, Joshua, Jovana of Midwinter Night's Dream, Joyful Noise,

Karl of Somersault, Karla in Waterloo, Kevin in Eureka, kidney stones, Krug Asperger's Disorder Index,

Lack vitamin D, Landau-Kleffner syndrome, Language delay, Language disability, Language disorders, Language therapy, Laurence in Close Encounters, Le-Voyage dever, Leaky gut syndrome, Learning delay, Learning disability, Learning disorders, led, Legend of Mickey, Legion of X-Men, lexical

gustatory synaesthesia, ligamentous laxity, Like Colour to Blind, Lily of All Children, limited activity, limited attention span, limited focus, limited interest, Linda of Snow Cake, Lionheart School, Little Heath School, little speech, Little Voice, Loddon School, loneliness, lonely, Look Me in Eye, lost languageskills, lost social skills, Lou & co-workers in Speed Dark, loudness, Lovaas technique, Love Anthony, low birth weight, low folic acid, low iodine, lowered activity in brain's fusiform face, Luke & Zack of Story Luke,

Mad Pride, Madison, magnesium & B6, major depressive disorder, maladaptive behaviors, malnutrition, Mandy of Fly Away, Marcelo in Real World, Mario, Marty in Haydees Factor, Massage therapy, maternal autoimmunity & infection theory, maternal drug or medicine use - LSD, canabus, alcohol, psychotic meds, etc, Max in Parenthood, & Mary & Max, Meaghan of Nightworld, Measles, measles-mumps-rubella vaccine & tylenol use, meconium, Mellatonin, memantine, memory Savvant, Mendelian condition, mental disability, mental disorder, mental retardation, Mentalism, mercury, metabolic defects - phenylketonuria, Methylphenidate, Michael of Cries Heart, Mickey of Mile in Shoes, mind-boggling feats, MIND Institute, Minor physical anomalies, Miracle Project, Miracle Run, mirror neuron system theory, mirror-touch synaesthesia, misoprostol, Mitochondrial dysfunction, mixing senses, Mockingbird, molecular autism, Molly, mood disorders, mood fluxuations, mood swings, moody, Morgan in Stone Cutter, Mother Warriors, motor planning disorder, motor planning problems, Multisensory integration, Mumps, Music therapy,

naltrexone hydrochloride, Natalie in Al Cap-own, negative well-being, Nell, neurochemicals, neurodevelopmental disorders, Neurodiversity, Neuro feedback, Neuroinflammation & immune disorders, neurological symptoms, neuroscience, neurotypical peer interaction, neural hyper-connectivity, Nick of White Frog, No gesturing, No 1 or 2 words, Noah of God's Ears, Nobody Nowhere, non-malignant brain tumors, non-syndromal autism, noncompliance, nonverbal learning disorder, Normal People Scare Me, not realise behavior on others, not speak,

obsessive interests, obsessive or repetitive behaviours, Obsessive-compulsive disorder, Obsessive-compulsive personality disorder, odd gait, odd language, odd speech, odd posture, olanzapine, one-sided verbosity, one-

sided restricted prosody, opiate antagonist, opioid peptides, oppositional behavior, Orion Academy, Oskar of Extremely Loud, Other Sister, Overcoming Autism, overconnectivity of neurons, Oxidative stress, Oxytocin,

Packing, paracetamol, acetaminophen, or Tylenol after MMR vaccine, Parent mediated interventions, Pathlight School, Patricia in Borderlands, Patterning, PCBs, peer mediation strategies, Pennyhooks Project, Peri-natal environments, postnatal environments, Pervasive Developmental Disorders, pesticides, Phelan-McDermid Syndrome, phenols, Phobias, phthalates, Pivotal response therapy, planned intervention, PLAY Project, poor coordination, poor handwriting, poor motor planning, poor muscle tone, Poppy of Dustbin Baby, Positive behavior support systems, Potterspurty Lodge School, Prader-Willi syndrome, pregnancy complications, premature birth, Prenatal risk, peri-natal risk, Prenatal stress, Prenatal rubella Prenatal cytomegalovirus, Prenatal viral infection, Prescription medicines, pressure garment, primes, problem communicating, problem emotions, problem motor skills, problem sleep, problem understanding, Prosthetics, psychiatric disorders, psychoactive drugs, psychogenic theories, psychological conditions, psychosis, psychosocial interventions, psychostimulant methylphenidate,

quazee-autistic features,

Rage Love Story, Rama of Raam, Randall of Family Pictures, Ray of Rain Man, readiness skills, Recovered Autism & Back, reduced long-range neural connections, & increased local, short-range connectivity; Refrigerator Mothers, regression, regressive autism, rejection, rejection from birth, rejection from first signs of disabilities, rejection from womb, Relationship based Floortime, Relationship Development Intervention, Relationship developmental models, Relative Fear, Religious interventions, Renaissance Learning Center, repeated failure, repetitive behavior, repetitive movement, repetitive patterns, repetitive routines, repetitiveness, resist change, restless, restlessness, Restricted behavior, Restricted patterns of behavior, Rett syndrome, risperidone, Ritualistic behavior, Rizwan Khan, RNIB Pears Centre, Robert of Fair City, Rosetta of Under Piano, Roy in Coronation, Run Wild Run Free,

Sacar charity, Saga & Sonya of Bridge, salicylates, Sally of House Cards, Sally-Anne test, Sameness, Sarah of Dark Floors, Savvant skills syndrome, Saving Max, SCERTS, schizoaffective disorder, Schizophrenia, Season of Miracles, Seb in Haze, Secretin, seizures, selective mutism, self harm, self hatred, self injury, semantic pragmatic disorder, senses mixed, sensory-motor deficits, Sensory Enrichment & integration therapies, Sensory problems, Sensory processing disorder, sertraline, Seth in Regulators, Seyshell Child Development Study, Shahir of Saving Hope, Shane of Backstreet Dreams, Sheldon of Big Bang, Shepherd in By Light Moon, Shirley Foundation, Simon of Mercury Rising, Simone in Jericho, Simple Simon, skin picking, sleep disturbances, sleep problems, Smith-Lemli-Opitz syndrome, smoking, social & communication impairments, social awkwardness, social deficits, social impairment, social isolation, social skills therapy, social-cognitive deficits, Somebody Somewhere, Son-Rise Miracles, sound-colour synaesthesia, Spa School, special education, Specialisterne, speech therapy, Speed of Dark, Spindle neuron, Spoonface, SSRI medicines, Stem cell therapy, stereotypic movement disorder, Stereotypy, stimulants, Stone Boy, Strange Son, stress, stress management, stressed out, stressfull, structured teaching, structured speech & language therapy, subthreshold autism, sugars, Surfers Healing, symbolic play, synaesthesia, synaptic dysfunction, syndromal autism, systemic disorder,

Talk About Curing Autism, tantrum, TEACH, tease, teased, tease-er, teasing, Temple Grandin, teratogens, Terry of Quantum Apocalypse, thalidomide, The PLAY Project, the Wall, theory of mind, Thiomersal, thyroxine deficiency, Tim of Silent Fall, Timmy in Test Living, toe walking, Tom of Burning Bright, Tomer of Mabul, Tommy of Saint Elsewhere, Too Sane for This World, TouchPoint Autism Services, Tourette syndrome, toxicity & oxidative stress, Tracy of Down Delta, trauma, traumatic experiences, traumatic shock disorders, traumatic stress disorders, traumatized, Treatment & education of autistic type handicapped children, TreeHouse School, trimethylglycine, Tuberous sclerosis,

Unbalanced excitatory-inhibitory networks, under-responseivity, underconnectivity theory, Unstrange Minds, Unusual eating behavior,

Vaccine controversies, Vaccine court, Vaccine overload, valproate, valproic

acid, Vase de-Noces, Vernon of Killer Diller, victimized, victims, Victor in Angel Maker, violence, violent, Viral infection, Virginia of Grey's Anatomy, Vitamin B12, vitamin therapy, von Economo neurons,

Wally in Probability, WARC, Weak central coherence theory, Weighted vests, Westbrook Preparatory School, Western Autistic School, When Bough Breaks, Will of Hannibal, Winter Journey, With the Light, withdrawn, Wizard, word-taste associations, word-taste synaesthesia, working memory problems, World Autism Awareness Day, wrapped tightly in cold wet sheets, Wretches & Jabberers, Wrong Planet, Wyre Forest School,

Yale Child Study Center, yeast, Yellow Peppers, Yoav of Doc Pomerantz, Zen of Chocolate, Zig Zag,

In the Name and Blood of the Lord Jesus Christ, I bind up each and every demon left, I individually chain, cage, bag and box them. I put them in caves with rocks over the caves with the Light of the Lord shining bright and the angels of the Lord reading Scriptures and praise the Lord continually. I cover us all with the Blood of Jesus. I call upon God's Holy Spirit to fill everybody full to overflowing and to keep chasing out the demons and to restore God's people. In Jesus' Name, I loose legions of the spirits of the Lord, life, health, healing, restoration, wellbeing, sound mind, and a good night's sleep.

We thank You Lord Jesus for everything You have done. We give You all the glory and honour, and blessings and praise. In Jesus' Mighty Name and by His Blood. Amen.
