every demon left, I individually chain, cage, bag and box them. I put them in
caves with rocks over the caves with the Light of the Lord shining bright
and the angels of the Lord reading Scriptures and praise the Lord
continually. I cover us all with the Blood of Jesus. I call upon God's Holy
Spirit to fill everybody full to overflowing and to keep chasing out the
demons and to restore God's people. In Jesus' Name, I loose legions of the
